After seven years as a member of the Ascensus family, we're taking the Ascensus name. The name change is part of a rebranding effort to help unify the companies that were part of the Ascensus portfolio of services and helps to more easily communicate the value of working with Ascensus.

While our name has changed, our dedication to helping you with your trust needs has not. You can rest assured that the same great associates will continue to provide you with the high-level service and care that you've come to expect from us.

Next steps:

-  Please update your records to reflect our new company name and email extension (@ascensustrust.com).
-  Take a moment to explore our rebranded website www.ascensustrust.com, launching August 1st.
-  Call us at 800-345-6363 if you're interested in other services offered by Ascensus, the largest independent retirement and college savings plan provider in the country.
